

Welcome to a brand-new school year at **MAPA** — where excellence begins, leaders are made, and every student matters! We are thrilled to welcome our scholars and families back for what promises to be a year full of growth, achievement, and joy. **This year's motto is - Lead with Purpose/ Empower, Connect, Inspire and with your partnership, we are ready to soar.**

What to Expect This Year

We are committed to creating a positive and supportive learning environment where students feel safe, respected, and inspired to learn. From exciting classroom experiences to after-school programs and leadership opportunities, we're here to help each child succeed — academically, socially, and emotionally.

Our Three Big Focus Areas

Attendance – *Everyday Counts!*

Students who attend school regularly perform better in all areas. We ask that families make daily attendance a priority — being on time and ready to learn makes a huge difference. **Middle school and High school Classroom start time 8:30am to 3:10pm, KG-5th Classroom start time 8:50am to 3:30pm Doors open for Breakfast at 8:15am.**

Discipline – *Respect, Responsibility, and Reflection*

We are building a culture where students lead with kindness, resolve conflicts peacefully, and take pride in their behavior. We will focus on teaching strong decision-making skills and modeling positive choices every day.

Academics – *Achieve, Grow, Succeed!*

We have high expectations because we believe in every student's ability to excel. With engaging lessons, hands-on learning, and regular support, this year will be filled with academic breakthroughs! **Homework will go out on Monday and due back on Friday.**

Stay Connected

We value communication with our families. Please check ClassDojo, Power School, email, and our school website regularly for updates and announcements. We encourage you to reach out with any questions, concerns, or ideas — we're in this together. Pop-ups are encouraged.

Let's Make This the Best Year Yet!

With teamwork, encouragement, and dedication, we will help our students shine brighter than ever. We can't wait to see all the amazing things our students will do this year.

Let's do this, MAPA Family!
